No further cleaning or classification of the sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted. Should any deficiency occur after weighment the value of the deficiency will be refunded to the purchaser or if no excess is found it shall be paid for by him.

10. The purchaser shall bear the cost of weighment at the time of delivery.

11. The purchaser will be allowed one week from the date of delivery after weighment to remove the wood during which period, it will be kept in the depot at his risk.
